# Scholarship Program

## Apply Today

We believe in the power of education to transform lives. Our scholarship aims to support bright minds who are committed to making a positive impact in the career field of their choice. We recognize graduating high school seniors who are pursuing a post-secondary education at a university or college.

**We evaluate the following criteria:**

**Academic Achievement**

**Leadership**

**Public Service**

**Extracurricular Activities**

This scholarship will provide financial assistance up to \$1,000 to a graduating student so that they may accomplish their future baccalaureate educational goals.
